

## **CANCELLATION OF A WORKS TENDER PROCEDURE (A5)**

**Title of contract:** Civil Construction Work for establishment of Waste Processing Plant and Storage Facility for Novi Han Repository, Bulgaria **Location:** Bulgaria

**1. Publication reference**

Phare Project BG 2004/016-815.01.06.01

**2. Date of publication**

27.12.2006

**3. Programme**

Phare

**4. Contracting authority**

Central Finance and Contracts Unit (CFCU),  
Ministry of Finance, room 512  
102, Rakovski Str., 1040 Sofia, Bulgaria

**5. Other information**

The tender procedure has been cancelled because exceptional circumstances rendered normal execution of the project impossible - construction permit for the works subject of this contract has not been issued by the relevant Bulgarian authorities by the deadline for contracting (08.11.2007). Based on this, the contract with the selected tenderer following the tender evaluation has not been signed.

---

**Notes:**

Should a new tender procedure be launched for this project, a new procurement notice will be published. Natural or legal persons interested should not therefore send proposals or requests for information at this stage.
